LUMA
Industries S.A.C.

At LUMA INDUSTRIES, we focus on diversifying and innovating, aiming to create a positive impact on society and the environment. Our story began as a family-owned business, with a vision to embrace sectors that we are passionate about and where we can apply our knowledge and experience.

We are dedicated to providing comprehensive and innovative solutions that connect opportunities and respond to our clients' needs. Our commitment to excellence, sustainability, and collaboration enables us to create value for our clients and partners.

We value integrity, adaptability, and positive impact in all our operations. We are committed to being a benchmark and contributing to the growth and development of the communities where we are present.

MORE THAN A
COMPANY
a Family

Family is not just a word; it is our philosophy. We focus on building lasting relationships, fostering collaboration, and creating a sense of belonging. LUMA INDUSTRIES is a home for innovators and dreamers. We share passion, values, and common goals.

Vision

To be a dynamic, leading, diversified, and sustainable company that connects opportunities and grows innovatively across multiple sectors, generating a positive impact on communities and society.

Mission

To develop and offer innovative and high-quality solutions across various industries, leveraging synergies and opportunities, with a focus on excellence, innovation, and social responsibility, to meet the needs and expectations of our clients and communities.

Corporate values:

DIVERSIFICATION

INNOVATION
